

Tennis Champion: Fred Stolle

Fred Stolle :

A legend, a player, an Aussie and a resident of Williams Island as well as one of our tennis members.

Fred Stolle will be participating in some of our special tennis events at Williams Island Tennis Club throughout the rest of the tennis calendar year and into 2009. We want to make our members and residents of Williams Island aware that we have one of the greatest tennis players in the world living right under our noses.
